Thank you for your interest in the Air Cargo Challenge 2021 (ACC2021) in Munich. All relevant information is posted on our website www.acc2021.de. The current regulations are Version 1.10, but are subject to change.

AkaModell München e.V. will make all efforts in order to provide the teams the greatest comfort and support possible.

Accommodation, meals and transportation during the competition are provided in the application fee.

For each team member, including the pilot, the participation fee must be paid.

In case of a cancelation we will try to give back as much money as possible.

The teams are responsible for fulfilling all participation fee deadlines. Receipt of payment is the relevant date.

All team members have to accept the data processing and Picture/Video usage to participate in the ACC2021.

By signing the application form you accept the rules of the competition and our rules concerning the General Data Protection Regulation (GDPR) on the next side.

Please don't forget to add the signed Professor in Charge statement and some way to assure that the team members are part of your institution. (e.g. scanned student cards, matriculation number may be blacked out)

Please send a scan of the filled out and signed form to teamcontact@acc2021.de. (Subject: "#team name# - application")

If you add the (unsigned) filled out digital version as well, you make our lives a lot easier. (Copy-paste for us)

The originals have to be sent to the organizing committee in a timely manner.
